Message from the President:

Welcome to 2017, I do hope it is a good one. We have some new Committee members whom I am sure will bring along a lot of great ideas. Lorraine has retired from the Class Co-ordinators role with many thanks from all of us. This leaves us short handed so some help would be most welcome.

Remember that on days of extreme Fire Danger classes will be cancelled. When temperatures reach 35 degrees classes are at the discretion of Tutors. Ring Tutor not office.

New class returning this year:

- **Ancient Egypt** returns with Bob Mathews - Thursday 11.30am – 12.30pm

Term 1 Class Changes:

- **Dressmaking course with Diana Little** will be incorporated with Friendly Drop in Group – Monday 12.30 – 3.30pm. If you would like to learn garment construction using commercial patterns to make clothes for yourself, grandchildren etc. bring along your material and pattern. Experienced sewers are also welcome with material supplied to make clothes for people in need. Three sewing machines are available in the hall or you can bring your own. Come along have a cuppa, a chat, sing, knit, crochet, watch a video. If anyone has some 8ply wool they don't need even in small amounts it would be welcome. Drop off at Office.
