#### **OLD CLASS – NEW CLASS**

Old classes flow into new So  
let's age safely forward. As  
time combines the two  
Together happily onward.

**Judith**

Dear Members I do wish I had a return date for you but it is getting closer. It would be easier for me to take a group of 10 to the skate park adjacent to the Hall but old bones do not mend so quickly as young and green ones. Common Sense must prevail. Such a Pity.

The Halls/Meeting places may be missing but the members that made them "home away from home time" are missed.

I wish I had an earlier estimated time than end of August, but "No" we may have to go the full distance until ALL everywhere are safe. I am happy that I have not heard of any of you being hospitalised and hope we are all healthy and happy. It is good that German, Language and Ideas and Garden Group have all taken advantage of Zoom. We have a 1 year license If you do wish to arrange a time to connect with a class please contact myself or Barbara 0431 700 906 who is our Monitor.

Jan Wood has indicated she would be prepared to teach piano/keyboard via Zoom. So please ring and book in. Jan is a highly qualified music teacher. She can imagine you learning in your own home and then filling the home with music and playing maybe to grandchildren. Jan 9755 1839

Hopefully 2 new courses on offer when we return with one being tutored by Marian Robertson on Fridays from 12 noon to 2.00pm. "Stories with Pictures" made into albums for those that wish to pass on information on lives well lived. Card Making can be done also. Marian 0490 254 345

"BRING A SONG AND SING TOGETHER" on Mondays from 2.30pm to 4.00 pm. Jan Wood will play the piano. We could make a book of everyone's favourites. Please book in through Judith 9754 3507. Drop In, sewing/dressmaking will continue.

There are lots of Line Dancing and exercises on YouTube so make the most of it. If you need help with your computer, please contact me or Barbara. "On Line" is better than "No Line" in these troubling times. Check out the website Be Connected which has easy-to follow computer instructions.

It is a good time now to ring each other and even arrange a visit. Stay connected.

Staying together through a Zoom program is not a difficult thing to arrange as our Barbara Yawney has done an excellent job becoming our Head Zoomer. Maybe we could have a "Bring a Joke" Zoom time with a winner. Maybe we could have a 50's/60's JIVE SESSION at the Hall when we return. ROCK IT ON. Please send in your ideas and as long as they are decent we will consider them.
