At the time of writing us seasoned 5km Aussies have again been put to the test.

We are on home front defense and good at it.

We will prevail.

It is difficult to organize outings, shared food times and speakers as restrictions etc. are always changing but when more people become vaccinated we may be able to safely resume such happy times together.

One big happy time planned for Friday 2nd July will bring us all together in the Hall with a “Christmas in July” sit down meal. Fight the good fight and again beat back the Corona Virus – PLEASE get vaccinated

We still have 19 Face to Face classes operating in term 2 and room for more if we have more leaders/tutors who would like to share their knowledge among their peers and have a good time doing it.

Many thanks to our Committee who are pulling together and everything is being done to make us super efficient in our U3A operations. WELL DONE
