Welcome back to Term 2 which commences next Monday 27th April.

President's Report:

It is with much sadness I have to report the sudden passing of Rita Hodgson. Rita and her husband the late Mike Hodgson were involved with Sherbrooke U3A from the beginning, and I personally had much enjoyment attending their lecture History of the World. Rita ran her Out and About trips giving many members much pleasure. She will be sadly missed. I have sent the family an appropriate message.
